The President's Letter

Hidey Ho Fellow Members,

Kicking off the Star Spangled 4th of July with hot dogs, apple pie and all that goes with them, so be sure to spend some time with family and friends. End your day watching local fireworks and counting your many blessings. Be careful, stay cool and check out the safety rules in this newsletter for 10 Safety Tips for Fireworks.

The Women of Excellence Gala is slated for September 15th; we are planning in advance, so those who wish to attend need to bring your check to the July meeting to reserve your seat. Annette Muti can help you with more information.

July's program will feature guest speaker, Amanda Lenss, a Frost Partner in Commerce Insurance for Small Business. Amanda will be speaking on General Liability, Main insurance and flood insurance. She will also be available to answer any specific questions.

Continuing with our theme of Thoughts and Quotes or Riddles and Jokes; we have a riddle this month:

This word has six letters; the first and last letters are E's. Take away either the first or last letter, and you can pronounce the five letters left to sound the same as the six-letter word. What word is this?

See you in a couple of weeks, and enjoy the fourth !

Lori Klein Quinn was recently appointed to the Advisory Council of the Fidelity Intuition Asset Management Group for outstanding achievements and service to her clients.

While in Boston she received a Fidelity headquarters' tour of the innovation room which is the firm of the future, however they totally lost her attention of seeing anything else when she was shown the chart room, a room of huge maps with the ups and downs of the market. It was like Chocolate to a Chocoholic ! She was in heaven.

Congratulations Lori, for an outstanding job !

Prayer Request:

Mary Denney

**Connie Smith –
