

*Mission Statement of the Women's Business Forum
is to further new business relationships and promote each member business.*

Additionally, Women's Business Forum (WBF) is dedicated to:

- Providing professional and community development opportunities
- Obtaining significant new relationships through referrals from Forum member networking
- Gaining professional recognition in the FM 1960/Northwest community
- Enhancing knowledge of business management techniques through seminars and speakers
- Promoting fellowship and friendship of women business leaders and owners
